

LAWTON MULL

19TH CENTURY SWEDISH MILKING
STOOLS

SWEDEN

mid-late 19th century

Wood

12 1/2" high x 19" wide x 7" deep

Sold

These low work stools will introduce a note of rough country elegance into any interior. They show the hands that made and used them. We love the variations in color and patina, and haven't done a thing to the surface, only stabilizing the legs. Dimensions vary.

We have three remaining, pictured singly.
