

LAWTON MULL

CRYSTAL AND BRASS CARL
FAGERLUND LAMP FOR
ORREFORS

CARL FAGERLUND
1960s
Brass, crystal
16" high x 4" diameter
\$2,700

Fagerlund designed several iterations of this lamp for Orrefors of Sweden.
We like the staggering of the crystal disks on this particular design.

Rewired for the U.S. Height is of the base without shade.
