

LAWTON MULL

EXCEPTIONAL SWEDISH
ROSEWOOD AND CHROME
COMMODE

SWEDEN

Circa 1930

Burl, chrome, rosewood

28" high x 39 1/2" wide x 19" deep

\$16,000

A work of extraordinary craftsmanship which combines an angular, Minimalist design with opulent materials. The rosewood and burr walnut veneers with their almost Baroque surface contrast sharply with the geometric chrome knobs and legs. The marble top is beautifully figured, of a subtle greenish-grey which rewards a closer look. Attributed to Ture Ryberg, the Swedish architect and designer.
