FRANCESCO BUZZI CERIANI LAMP

FRANCESCO BUZZI CERIANI

1970s

Enameled metal

16" high x 14 1/2" diameter

\$2,200

This 1970s enameled metal lamp by Francesco Buzzi Ceriani has an evocative profile. The curved hood could be inspired by a monk's cowl, or by a steamship pipe. The shape diffuses the light quite brilliantly and adds a sculptural presence to any table.
