

LAWTON MULL

OAK AND SHEARLING
ADJUSTABLE WORK STOOL BY
FRITZ HANSEN

FRITZ HANSEN

1940s

Oak, sheepskin

26" high x 15" wide x 15" deep

\$2,800

A handsomely made thing. Four curved oak legs surround the threaded post which raises or lowers the sheepskin-covered seat. The action is very smooth, the stool extremely stable. 26" is the lowest height.
