

# LAWTON MULL

RARE CYLINDRICAL NORDLYS  
LIGHT BY ERIC WARNA

ERIC WARNA FOR KEMP & LAURITZEN

1960s

Brass, crystal

8 1/2" high x 13" diameter

**Sold**

This was one profile in a line called "Nordlys," or northern lights, by Danish designer Eric Warna. Produced for a very short period in the 1960s, they have a timeless elegance. Interlocking cylinders of fluted glass, held in a brass frame, diffuse the light quite beautifully. We have another, rectangular, example from this line.
