

LAWTON MULL

RARE PAIR OF "GRETA" LOUNGE
CHAIRS BY KERSTIN HÖRLIN
HOLMQUIST

KERSTIN HÖRLIN-HOLMQUIST (1925-1997)

1960s

Beech, Knoll Classic bouclé

31 1/2" high x 32 1/2" wide x 32 1/2" deep (seat height
16")

\$11,000

The Greta lounge chair was designed by Holmquist for Nordiska Kompaniet in the 1960s. The design is no longer in production and not often available. We think they are wonderfully seductive chairs, with their sinuous curves and shapely legs.

Professionally restored and recovered in Knoll Classic bouclé.
