

# LAWTON MULL

SIDE TABLE BY FRANÇOIS  
MONNET

FRANÇOIS MONNET

1970s

Brushed Steel, Glass

23 1/2" square x 13 3/4" high

\$3,500

This table illustrates a vein of French design from the 1970s that we are particularly attracted to. There is rigor and restraint in the profile, but also a bit of disco. The frame is constructed of brushed steel, the top of smoked glass.

The original glass has surface scratching and there is some wear to the steel frame.
