

LAWTON MULL

SET OF 6 TOMLINSON PECAN AND LEATHER DINING CHAIRS

TOMLINSON

Circa 1957

Pecan, leather

Side chair: 33" high x 19" wide x 22" deep (arm chair: 21" wide)

Sold

These chairs have a Chinese feeling--their verticality, the inward curl of the top rail, the restraint of the design. The line is from the late 1950s, called "Sophisticate." The leather has worn well. Two arm chairs, four side chairs, labeled. We like them paired with this [ebonized wood table](#) by Pierre Gautier-Delaye and the Philip and Kelvin LaVerne [wall plaque](#).
